### **1.0 Welcome & Roll Call**

**1.1** REVIEW OF MEETING MINUTES FROM 2/17/21: 3 out of 3 approved minutes from 2/17/21

### **2.0 Update on Hybrid Learning Model**

**2.1** DISCUSSION: Hybrid model is going well. Highlights are arrival, dismissal, and lunch. Teachers have given feedback that it is a challenge to integrate distance students into face to face. Kids online are not receiving the same amount of attention due to the teacher's attention being spilt. Bert seems that things are running smooth from a cleaning standpoint with cleaning. From an outside of the classroom perspective, things are going rather smooth and is shocked that it is going well.

### **3.0 Collect Input on Full-Time (5 Day Per Week) Model**

**3.1** UPDATE FROM PRINCIPAL: After speaking with teachers and input with parents, we have about 40% of our students are staying distance and 60% of our students are coming to

face-to-face. We have not contacted all parents; we still have 27 families that need to be reached. Parents will be notified on or around March 22 of class information on April 6.

**3.2 SOT INPUT & DISCUSSION:** Teacher asked, "If a student has COVID-19 in a class, then what happens to the class and teacher?" Principal discussed guidelines that are mapped out in the Reopening guide.
